2- Censes is an important work which has to go on uninterrupted. Any extra expenditure that may be incurred on this account has probably to be met out of the "Lapses & Surrenders" for the current year, for want of a definite source from which appropriation could be ordered

3. If approved the file will be sent to the Fin: Secty for note of the above as one of the items to be met out "Lapses & Surrenders"

Chief Secretary to Government of Mysore

B a n g a l o r e.

Sir,

Adverting to the provision of Rs.5,000 made in the current year's budget for Census, which has been curtailed to Rs.4,500, in the Revised Estimate for 19-20, I have the honour to state that the provision is quite inadequate. A sum of at least Rs.16,400 would be required as per particulars furnished in the annexed statement, and I request that arrangements may kindly be made to find the required sum by re-appropriation from other sources. If, however, the practice in vogue in British India is followed of debiting the pay and Travelling Allowance of the officers deputed to the Census, to the head of account to which they were debitable previous to such deputation (vide Section 8 of -- Chapter II of the Imperial Code of Census Procedure, 1911, Part I Enumeration, reproduced for ready reference in annexure B), a provision of about Rs 7,000 would be enough.

2. A copy of this letter is being forwarded direct to the Comptroller for his information and for making necessary adjustments in the budget now under preparation.

I have the honour to be,
Sir,
Your most obedient servant,
